MAKING AN EPIC DIFFERENCE

The money raised in this golf tournament will give kids in Edgewood a unique and life-changing experience this summer. Camp EPIC is a summer camp that provides a fun, educational, enriching way for kids ages 5-16 to spend their summer break. A top-flight staff teaches art, dance, drama, music, reading, math, and science. Students also compete in different sports, go swimming weekly, and experience several field trips throughout the summer. Breakfast and lunch are served daily to all children.

Camp EPIC has grown from 125 students in 2013 to over 180 students in 2017, which included an expansion to two locations! The need for this kind of opportunity for kids is significant, and we want to remove as many barriers as possible. This tournament helps us do that. The money raised today will fund scholarships for families that need financial assistance for their children to participate in Camp EPIC.

Thank you for your support and making an investment that can change the trajectory of a child's life!
